Blues Bass Line

A background bass line for the 12-bar blues in concert F

I	**I**	**I**	**I**
IV	**IV**	**I**	**I**
V^7	**IV**	**I**	**I**

Medium shuffle ♫ = ♩³♪ *root · 5th · 6th, every bar*

The rests are breaths. Take them — the line is meant to leave holes for the backgrounds to sit in.
Bar 4 leans on the flat 7th, bar 8 walks up into the V, bar 12 turns it around. Everything else is the same three notes: root, 5th, 6th.
To end: hold the first note of bar 12.
